

SAFE IN KINDERGARTEN

The Colorado Springs Fire Department’s SafetyFactor program is designed specifically for your Kindergarten students! This highly interactive fire and injury prevention program aims to teach students basic fire safety skills and injury prevention measures and how to apply them. Students will learn and practice:

- The difference between fire as a tool, not a toy
- What a smoke alarm sounds like
- What to do when the smoke alarm sounds
- Practice “Get Low and Go.”
