Minutes Approval

- Approval moved to next meeting when quorum is achieved.

Citizen Comment

- Shawn & Candice Craft spoke about their company Vertical Foliage
 - Company specializes in biophilic design, bringing outdoor plants indoors
 - Quick discussion on whether developers could use such designs to qualify for development exemptions under the Public Art Master Plan. No decision made.
 - Invited to formally present to PAC at a future meeting.

General Discussion

- Reviewed current members term expirations and renewals
- Reviewed qualifications of members under ordinance
- Notice that Parks Department attorney is able to do work for PAC
- Public Art Position still on the unfunded needs list with the city.
- Matt has not received further communication from Developer who reached out about Public Art exemptions prior to November meeting.
- Desire to create process flow charts for different types of requests in the future, depending on if public art is publicly or privately owned, on public or private land, and a permanent or temporary display.

Meeting Adjourned: 4:51 p.m.
