

## 2050 Regional Transit Plan & Specialized Transportation Plan

# WELCOME!

Today's open house allows you to choose your own adventure. Visit the stations that interest you the most, ask the project team questions, and provide your feedback in person or digitally.

The **2050 Regional Transit Plan** and **Specialized Transportation Plan** guide the development and coordination of both transit services and human services (specialized) transportation for the Pikes Peak region.

### ▶ 2050 Regional Transit Plan

The 2050 Regional Transit Plan provides guidance on changes in service to better meet the future mobility needs of the region including more frequent service, new routes/services, as well as expanded weekday, evening, and weekend service.

**Learn more at Station 3!**

### ▶ 2050 Specialized Transportation Plan

The Specialized Transportation Plan, as required for federal funding, focuses on understanding the transit needs of older adults, people with disabilities, and low-income communities who live in the Colorado Springs area.

**Learn more at Station 4!**

### ▶ Why You're Here

- Hear about potential ways transit can meet growing regional needs.
- Learn about the criteria used to select promising solutions.
- Help prioritize future transit solutions.
